How to order

Selling cards for UUSC is easy and rewarding, and we can help you make your consignment-sales program a success. Just follow these simple steps:

1. **Order cards by fax, e-mail (orders@uuscorp), postal mail, or phone.** Submit your order by fax or e-mail for fastest service. If you order by phone, you may need to leave your order on voice mail, as a live person may not be immediately available to take your order.
2. When your order arrives, begin selling cards in your congregation.
3. Return all proceeds to UUSC, along with any unsold cards.

UUSC pays all shipping and handling charges for cards sent to you in your first order. We ask that you cover the costs of shipping any unsold cards back to UUSC, which is why we have placed order limits based on congregational size. This helps to ensure that you order the most appropriate amount so as to limit the cost to you of shipping any unsold cards back. If you sell out, you are welcome to order more, or if you have sold more than the limit in previous years, please contact us to increase your order accordingly.

LIMITS: For churches with up to 250 members — 7 packages per design
 For churches with 250–350 members — 10 packages per design
 For churches with more than 350 members — 15 packages per design
You are welcome to order additional cards as you sell out of your initial stock.
