

# Welcome

## A Guest at Your Table

Gather • Learn • Move Beyond Statistics •  
Reflect • Support • Spread Hope

**Guest at Your Table (GAYT)** is the Unitarian Universalist Service Committee's annual intergenerational program to raise support for and awareness about UUSC's mission and model for affecting social change.

Given the release of the Ken Burn's documentary *Defying the Nazis: The Sharps' War* and the unprecedented number of refugees and asylum seekers fleeing violence, political crisis and natural disaster, this year's GAYT program is focused around the theme **Defying Hate**. *Stories of Hope*, the GAYT booklet of stories of impact from UUSC partners which introduces this year's "guests," highlights UUSC's work to protect human rights in the face of hate, Islamophobia, and other forms of bigotry. These are the three partner organizations highlighted in this year's *Stories*:

With UUSC's support, **Zanmi-Timoun** provides immediate relief and relocation assistance to unaccompanied minors of Haitian descent who are deported from the Dominican Republic to Haiti.

UUSC partners with **Inclusive and Affirming Ministries** to counteract the damaging influence of US conservative religious groups on LGBTQI communities and advance Sexual Orientation and Gender Identity rights in southern Africa from the ground up.

The **Arab American Civic Council** helps refugees resettling to Southern California with job training and cultural adjustment.

For other examples of UUSC's past and present work to defy hate in the United States and around the globe, visit [uusc.org/guest](http://uusc.org/guest).

Feedback about GAYT? We'd love to hear it!  
Email Carly at [ccronon@uusc.org](mailto:ccronon@uusc.org).

## UUSC's Mission

The Unitarian Universalist Service Committee (UUSC), a 76-year-old human rights organization grounded in Unitarian Universalist values, works to advance human rights in three intersecting areas:

- We advance **Economic Justice** by supporting workers collaboratives, advocating for safe working conditions and a living wage, and working to protect and formalize the rights of workers in the informal economy (e.g. street vendors).
- Our **Environmental Justice** work focuses on promoting access to clean, affordable water and on mitigating the impact of the global climate crisis on poor, rural communities that have contributed little toward the climate change impacting their livelihoods.
- We protect **Rights at Risk**, especially in times of humanitarian crises and natural disasters, during which populations already experiencing rights violations are especially vulnerable.

## UUSC's Partnership Model

Guided by the principle that local organizations should lead efforts to defend human rights and create sustainable models for change within their own communities, UUSC supports grassroots organizations in over 25 countries around the world, including the United States.

Rather than enter a community, name a problem, name a solution, and fund only our solution, UUSC works eye-to-eye with organizations to help them develop and implement programs that align with their own vision.

## UUSC supports partner organizations through:

- Advocacy
- Strategic advice
- Networking
- Operational and project funding
- Research studies  
([uusc.org/research](http://uusc.org/research))

All donations qualify for UUSC membership. Donations of \$40 or more qualify for active membership, and contributions of \$125 or more are eligible to be matched dollar-for-dollar by the Shelter Rock congregation in Manhasset, NY.
