

#WAGE #OUTRAGE

The federal minimum wage of \$7.25 per hour (only \$2.13 per hour for tipped workers) is a moral outrage. Commit to take action to raise the minimum wage between July 24 — the five-year anniversary of the last raise — and midterm elections.

I commit to do the following (check all that apply):

- Participate in a July 24 action in my community, wear my T-shirt, and send a photo of myself at the event back to UUSC
- Connect with groups in my state that are organizing to raise the minimum wage and/or support restaurant workers' rights
- Make an appointment at the local office of one of my congresspersons to encourage them to be a champion of raising the minimum wage
- Attend a candidate forum and, if possible, ask whether they support raising the minimum wage
- Volunteer with efforts to get out the vote in my community
- Other:

Provide your contact information and communication preferences on back.

Sign a commitment card to receive a Wage Outrage T-shirt, while supplies last!
